

Author Guidelines

Any manuscript you submit to this journal should be original. That means it should not have been published before in its current, or similar, form. Exceptions to this rule are outlined in our pre-print and conference paper policies. If any substantial element of your paper has been previously published, you need to declare this to the journal editor upon submission. Your work should not have been submitted elsewhere and should not be under consideration by any other publication. Before you submit your manuscript, it's important you read and follow the guidelines below and ask you to visit our site and see published papers.
